FOR IMMEDIATE RELEASE

Traverse City.

WHAT: Contractor crews performing testing of radio transmission links.

ROADS: South Airport Road, Crossing Circle to Garfield Road and
Keystone Road, Cass Road to Park Drive

TOWNSHIP: Garfield and East Bay Townships.

WHEN: Thursday, June 23, 2016 (TOMORROW), between 9 AM and 3 PM

WHY: Locations are being surveyed and tested for radio transmission locations as
an early phase of electronic coordination of traffic signals to improve
progression (traffic flow) along one of major corridors.

**IMPACT TO
TRAFFIC:** Aerial boom trucks will be traveling along the length of South Airport
Road and Keystone Road between the roads noted above.

Motorists may incur slight delays as the boom truck operators conduct
field testing along the shoulder areas adjacent to the traffic signals along
the signal corridors.

**NOTE TO
MEDIA** As you have time to take advantage of photo opportunities associated with
this work, call the Road Commission office for more precise site
locations.

Traffic fines are doubled in work areas. Motorists are asked to slow down and give our road workers a brake.

###

Our mission is to upgrade and maintain a safe and efficient road system.
