---

Traverse City.

**FOR IMMEDIATE RELEASE**

Lane Closures on West Silver Lake Road, between Secor Road and the Zimmerman/E&W Silver Lake Road Intersection.

Cherryland Electric will be performing emergency repairs on West Silver Lake Road near the Crowne Golf Course. West Silver Lake Road will be reduced to ONE-LANE on Tuesday and Wednesday, December 20 and 21, 2016. Traffic will be directed by temporary traffic signals that will intermittently flash like a regular traffic signal to allow traffic to alternately move through the work zone.

The temporary traffic signals will be operational between 8 AM and 3 PM both days. Motorists should drive with caution through the work zone, adhering to the traffic signals. Be sure to include a slight delay during your commute through this area.

*Motorists, please obey traffic control instructions for the safety of those  
traveling and working on the road.*

*We ALL want to arrive safely at home!*
