FOR IMMEDIATE RELEASE

Traverse City.

With the recent stream of wet weather and mild temperatures, the Grand Traverse County Road Commission has considered placing seasonal weight restrictions on its non-Class A roads. With current weather forecasts anticipating more typical weather, we are simply asking cooperation from commercial load haulers to remain within normal legal limits or less and to reduce speeds. However, at this time, no overweight permits are being issued.

To remain current on Grand Traverse County Road Commission weight restriction status, please visit our website at www.gtcrc.org and enroll in our "Notify Me" news releases subscription service to receive releases as they are issued. Calls can be directed to 231-922-4848.

*Motorists, please obey traffic control instructions for the safety of those traveling and working on the road.
We ALL want to arrive safely at home!*
